## AGING AGENCY SEEKS ADVOCATES

The Aging and Disability Resource Center of Broward County plans, coordinates, and funds projects benefitting the multiple needs of over 421,000 year-round residents, 60 years of age and older.

The nonprofit 501-c-3 organization is administered by the Areawide Council on Aging of Broward County. Its offices are located at 5300 Hiatus Road, in Sunrise.

The Advisory Council, to the Aging and Disability Resource Center, is comprised of thirty-five advocates, including: persons 60 years of age and older; elected and appointed officials; representatives of corporate entities; community volunteers; and representatives from funded projects that do not have comparable councils.

The Advisory Council meets every other month to discuss aging issues, visits funded projects and/or attends special events during intervening months. The prime role is to support the Aging and Disability Resource Center, as well as make recommendations to the Board through the Executive Director.

Presently, the Aging and Disability Resource Center is seeking applications for membership effective January 1, 2018.

To secure an application or receive additional information, Broward residents may call: Denise Jones, Community Coordinator at (954) 745-9567 x10216, or email: jonesd@adrcbroward.org.
