

SHINE Volunteers Needed!

Help Seniors in your community:

- Make informed choices about their health insurance
- Answer Medicare questions and resolve problems
 - Save money on their prescription medications
 - Learn about programs they may be eligible for

As a SHINE volunteer, you serve your community by performing at least one of the following functions:

- Medicare and health insurance counseling
- Deliver educational presentations or speeches
- Distribute educational and promotional materials
 - Provide training
 - Assist with general program support

Bilingual volunteers are encouraged to call.
